### RE Reflection of the Week

“The joy of the Gospel is for all people; no one can be excluded”  
Pope Francis.

We have enjoyed lots of opportunities to enrich and extend our learning this year. Last week we were excited, entertained and learned a lot about some birds of prey from Eagle Heights. I would like to challenge children to choose to extend their learning and demonstrate their talents based on the theme 'Birds of Prey'. So whatever your strength, interest or talent is what can you do? Are you a talented writer? You could write an informative report, a story, a poem. Are you an artist? What artwork might you create? Have you an inquiring scientific mind that would like to research an aspect of birds of prey? A mathematician interested in figures, charts and graphs? Or maybe you have a fantastic idea of your own! You have 2 weeks for this Home Challenge and I can't wait to see what fantastic talents you have! Please bring your completed challenge in to Mrs Jinks after half-term. Good luck!
