Mass

Leavers Mass

Thank you to Miss Stojek, Miss Sonia & Miss Gillespie and all the pupils of Year 6 for their Mass.. The pupils wrote some very caring and moving bidding prayers. They also shared some of their many memories of their time St. Francis with us. Watching them develop both academically and in confidence over the years has been a pleasure. We are sure they will do extremely well in their new secondary schools and wish them all the very best for the future.

We say a sad but fond farewell to two teachers who leave us this week for pastures new. We wish Miss Ahern & Miss Wall good luck for the future. Miss Monika is also leaving to live abroad & Ms. Vernon is leaving us to start maternity leave. Our very best wishes go with them all.

Farewell Year 6

The pupils of Class S1 & S2 were presented with their leavers gifts by the Headteachers at a special assembly. They each received a class photo mug, a leavers t-shirt with all their names on, a CD of all their ICT work, their Mass booklet, the programme for Ali Baba and of course all our best wishes for the future.

Year 2

To mark their transition from Year 2 to Year 3 our pupils were each given a Bible which has been blessed by Father Richard.

ALERT

Will your children use the computer, iPad or any other communication device this summer?

The internet provides an amazing opportunity for learning, exploration, entertainment and communication **but** there are risks associated with it. There are potential threats such as bullying or unwanted contact, many of which are regularly reported in the media. There are some things you would not like your child to see. This should not stop you from allowing your children to use the Internet but you need to understand the risks and how to minimise them.

What can you do?

There are a number of websites you can visit, many of them listed on our school website e-safety page on the guidance of the use of using technology responsibly.

Free Cycle Training

Starting on Monday 27th July in Dulwich and Burgess Park there is free cycle training for 2 hours per day for 4 days.
