European Day of Languages

On Tuesday we celebrated the diversity of European languages, many of which are spoken by a large number of our children and staff. As Spanish is the language taught in KS2, this was the focus of the morning activities. The children read a range of bilingual Spanish/English books and completed a range of exciting activities based around the stories they read. This meant that our children learnt many new words. Some of our older children can even hold a basic conversation in Spanish!

As a treat, the children made and tasted a typical Spanish drink—Sangria! We would like to thank all our Spanish speaking pupils, who were Spanish teachers for the day! It was a great opportunity for them to celebrate their language & culture too.

RE Reflection of the Week

“Our friendship with God changes our life—filling us with passion, with joy.”
Pope Francis.

Parents & Carers are reminded that if they have any concerns about their children they should speak to the class teacher in the first instance.

Please do not approach any child, Parent or Carer in the playground. This is part of our Home School Agreement which all Parents/ Carers agreed to.
