KS2 Stars of the Week

Enjoying lunch with Miss Gillespie.

Year 4 Scientists

Whilst at the museum we learnt that hydrogen can turn into fire, we did lots of experiments like trapping your shadow. My favourite experiment was listening to music through your teeth! We all enjoyed it & learned a lot about science.

Science—Birds of Prey

Are you into Falconry? As you know we are looking forward to a visit from Eagle Heights on Wednesday.

So, if you wish to join us, Foundation stage & KS1 will be at 9.15am and KS2 at 1.30pm in the KS2 hall. If you wish to have your picture taken with a bird of prey it is £5 on the day.

Please have a look at sciencebob.com and have a go at the soap powered model boat.

Let Miss Banton know how you get on.

RE Reflection of the Week

“Listening to the Gospel, reading it and meditating on it especially allows us to experience Jesus and his love. The Lord makes us his friends. He teaches us to love even those who do not love us. May we discover the beauty of loving and being honest.” Pope Francis.
