Parking Outside The School

May we remind all our Parents & Carers that if you bring your children to school by car please drive & park responsibly. As Friary Road is so narrow and full of parents, children & babies in prams we would ask that you leave your car on Bird In The Bush Road and walk to school. Friary Road is too narrow for the huge influx of cars parking and turning. We are very concerned that there will be a serious accident. Some drivers have been observed mounting the pavement which puts pedestrians in great danger. Please do not obstruct the cars which are parked in the bays outside the flats at the end of Friary road – these families also have children to get to school on time.

CCTV cars & traffic wardens are now patrolling the area outside the school.

The health & safety of your children is a major priority. Please follow the highway code.

Parents Evening

Monday 8th & Thursday 11th February

We look forward to seeing you this evening and on Thursday for parents evenings.

Please make every effort to attend this important meeting to discuss with the class teacher the progress of your child/ children.

During parents evening make sure your children are with you at all times. Do not let them run around outside as the gate is open and there is no one to look after them. Please take time to look at your child's/ children's books before or after your discussion with the teacher.

Reminder
There are No Boosters or Clubs today (Monday) or Thursday after school due to Parents Evening.
